

Best sommelier of Switzerland, Italy and Germany

and his Team buildings and wine events

It's all about the journey!

How it works:

- Welcome aperitif and presentation of the wine experience.
- Icebreaker with taste awareness and funny blind tasting (depending on the number of guests)
- Beginning of wine journey with storytelling about the “visited” wine regions, grapes, aromas and taste of the wines.
- Service of some paired food, if planned.
- Blind tasting and Quiz with prizes if you like.
- Happy end

FAQ :

For how many guests can you organize it?

From 6 people and more

In which language can you do that?

In English, French, German and Italian

Is there a wine area you promote particularly?

We can propose a wine/sensorial trip around any continent and country in the world: Switzerland, New-World and Old-World countries.

Where should the event take place?

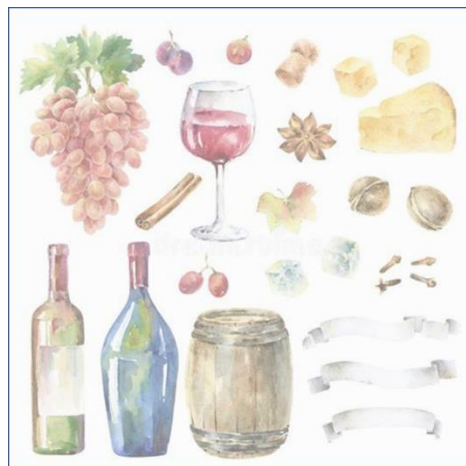

In Geneva and the rest of Switzerland. In your office or any other venue you choose. We bring all the equipment for the tasting: glasses, spittoons and of course the wine!

How long do you think such an event last?

Between 1 ½ hour and 3 hours, depending on the number of people and wines.

Is there a cost? If so, what would it be?

It depends on the number of people, type of wines and where the event is going to take place.
